## EDUCATION

### Bachelor of Engineering

Tulasiramji Gaikwad Patil College of Engineering and Technology

07/2019 - 05/2023

#### Courses

- Computer Science and Engineering-7.19 CGPA

### Higher Secondary School Certificate

Samarth Junior Science College Ramtek

06/2018 - 02/2019

#### Courses

- Science - 57.38%

### Secondary School Certificate

Samarth High School Ramtek

06/2016 - 03/1017

#### Courses

- Science-78.00%

## WORK EXPERIENCE

### Full Stack Java Development Intern

Cluster Computing Pvt Ltd [🔗](#)

09/2022 - 10/2022

Nagpur

#### Achievements/Tasks

- Contributed to the development of a functional and user-friendly Canteen Automation web application using J2EE technologies such as JavaEE, Hibernate, and Spring Boot.
- Collaborated with team members to develop the backend of the application, including designing and implementing the database schema and developing server-side APIs, while also contributing to the front-end design using HTML, CSS, and JavaScript.

## PERSONAL PROJECTS

### Engineering Course Navigator (01/2024 - Present)

- Simplified the process of accessing engineering subjects for students. Utilized JDBC, Servlet, JSP, SQL, HTML, CSS, and JavaScript to develop a comprehensive platform.
- Features a seamless login/register interface. Once logged in, students can select their branch and semester, granting them instant access to detailed subject information.

### Biryani Order Placing System (08/2023 - 12/2023)

- Developed a comprehensive and user-friendly application using Java and Object-Oriented Programming (OOPs) concepts. Facilitates an effortless ordering process for biryani.
- Users can navigate through a well-structured menu, select their preferred items, and place orders with ease.
